National Middle School Association  
Election Committee

To Whom It May Concern:

It is my pleasure to endorse Janet Spence's nomination as a candidate for the position of South Region Trustee on the National Middle Schools Association Board of Trustees. I have supervised Ms. Spence in her role as Middle School's administrator on special assignment over the past three years and respect her knowledge, work ethic, and concern for the students and teachers of Hillsborough County.

Ms. Spence has spent twenty-five years working to improve education in middle schools through her work at the school sites and in the District. She works diligently to share her thoughts and ideas with her colleagues in an effort to bring our students to a higher level of learning.

In my role as General Director for Middle School Education, I value Janet's expertise and her dedication to our district. She would be an outstanding representative as a trustee for the National Middle School Association.

Sincerely,

Josie Sanders  
General Director Middle School Education
